

Paying your rent: Managing your rent account

At NomadE5, part of the Isos Housing Group, we aim to provide high quality services to the communities we serve. We have Customer Service Standards, which explain the level of service you can expect from us to ensure we have a fair and consistent approach to managing rents.

This leaflet explains the importance of paying your rent, how to pay it and what to do if you start having difficulties in paying your rent.

This leaflet is available in other formats, languages, large print, Braille and audio tape on request.

For advice and support please contact us as we will be able to help. Please contact our Customer Services Team on: 0191 268 4800.

Our Rent Policy

The rent that you pay us for your home is our main source of income.

We aim to collect all of the rent due to us by providing convenient and easy ways to pay.

We aim to deal with tenants who are in rent arrears in a fair and approachable manner.

We will do this by offering early support when rent accounts have gone into arrears. We will offer advice and support to enable tenants to clear their debts.

Your tenancy agreement will set out the rent and in some cases the service charge you will have to pay. Your tenancy agreement is a legal contract and this means you are obliged by law to pay your rent.

Ways to Pay

We want to make it as easy as possible for you to pay your rent.

We offer many different ways of paying.

You can pay your rent by:

- AllPay – at outlets with the Paypoint logo
- Post office
- Debit card by telephone
- Bank or Building Society– Standing Order
- Direct Debit
- In an area office, where available
- Direct payments of Housing Benefit
- On our website
- By cheque.

We will continue to find and publicise new and convenient ways you can pay your rent.

Rent statements will be sent out every 3 months so you can keep up to date with your account.

Dealing with Rent Arrears

If you think you may have difficulty in paying your rent, you should contact us immediately to discuss the situation. We will be able to help you.

We understand there may be occasions when difficulties arise. We want to try and help you pay your rent regularly with as little delay as possible.

If you are a care and support tenant, the issue of rent arrears should be addressed in your support plan - so you can get the support you need to manage your arrears.

We adopt a firm but fair approach to recovering rent arrears. We monitor rent accounts on a weekly basis to identify tenants who are not making regular payments. We will make early contact with you if your account falls into arrears. We will do this by letter, telephone or by visiting you at home.

Our staff are specially trained to advise you. They may encourage you to discuss the reasons for the arrears, provide information and advice and agree an affordable repayment plan.

We will ensure that all tenants have access to debt and welfare advice from our own staff or from other

organisations. Please contact our Customer Service Team for further information.

Failure to pay your rent could result in legal action, and you will have to pay any legal costs.

If you are unable to make a payment, please let us know as soon as possible. If we don't know about your situation, we can't help.
